If not, write to the Free Software Foundation, Inc., 59 Temple Place, Suite 330, Boston, MA 02111-1307 USA or visit the site https://github.com/MRonaldo/MR-Tools/downloads As a special exception, the MR-Tool Project gives permission for additional uses of the text contained in its release. The exception is that, if you link the MR-Tools libraries with other files to produce an executable, this does not by itself cause the resulting executable to be covered by the GNU General Public License. Your use of that executable is in no way restricted on account of linking the MR-Tools library code into it. This exception does not however invalidate any other reasons why the executable file might be covered by the GNU General Public License. This exception applies only to the code released by the MR-Tools Project under the name MR-Tools. If you copy code from other MR-Tools Project or Free Software Foundation releases into a copy of MR-Tools, as the General Public License permits, the exception does not apply to the code that you add in this way. To avoid misleading anyone as to the status of such modified files, you must delete this exception notice from them. If you write modifications of your own for MR-Print, it is your choice whether to permit this exception to apply to your modifications. If you do not wish that, delete this exception notice. If you want to contribute in this project, just contact the author: Bug reports Idĕas Requests Sources * /
